

Standard Wall Mount Lockers

The open grid design promotes maximum air movement, which minimizes odor buildup and allows damp items to dry faster. The lockers are constructed with superior strength and versatility for fast, easy access to gear and equipment.

Available Sizes:

- (18", 20", 24") W x 20" D x 74½" H
- (24", 30", 36") W x 24" D x 74½" H
- 24" W x 32" D x 74½" H

- Each locker opening comes standard with three heavy-duty apparel hooks and two adjustable shelves
- Add secure doors or any of our innovative accessories to meet your exact storage needs

Standard Mobile Lockers

Innovative, multi-functional systems that are designed with strength and durability for safe gear storage and transport. Mobile or fixed configuration options provide versatility to satisfy the storage needs of any space.

Available Sizes: **Single Sided**

- (18", 20", 24") W x 20" D x 83" H
- 24" W x 24" D x 83" H
- Config: 2-Pack, 3-Pack, 4-Pack (18" only)

Available Sizes: **Double Sided**

- (18", 20", 24") W x 20" D x 83" H
- 24" W x 24" D x 83" H
- Config: 4-Pack, 6-Pack, 8-Pack (18" only)

- Support Options: 250 lb. locking casters, adjustable or floor mount
- For complete customization, any of our accessories can be added to meet your specific storage needs

Personnel Lockers

Provide a durable, functional and modular solution for storing a variety of gear and equipment. The integrated, hinged seat allows you to maximize space by eliminating the need for additional benches while providing added gear storage underneath.

Available Sizes:

- (18", 24", 30") W x 30½" H x 70" H (plus mounting height)

- Mounting Options: Wall mount, floor mount or mobile (18" and 24" only)
- Each locker opening comes standard with three heavy-duty apparel hooks and one adjustable shelf

Slinger Workstation

Features a heavy-duty work surface and convenient, easy access to tools and equipment. Each unit can be configured and outfitted with any of our innovative accessories to meet your exact storage needs.

Available Sizes:

- (51", 75") W x 30" D x 41" H

- Choose from two work surface options: Stainless Steel or Butcher Block
- Customize your workstation by adding accessories, such as Secure Doors, Adjustable Shelves, Drawers or a Back Tool Grid with Topside Storage Shelf

Heavy-Duty GRP Hose Winder

Keep hose tangle free with this innovative hose winder. Attach to a standard 2" receiver hitch and quickly wind hose to enhance its maintenance and protection. The heavy-duty design offers the perfect combination of mobility and strength.

- Optional wall mount bracket available for an alternative mounting option
- Winds up to 5" diameter of Large Diameter Hose (LDH)

Mini Mobile Hose System

An ideal storage solution that offers complete accessibility and mobility for quick, easy access to hose. The heavy-duty design ensures hose is properly stored and protected between each use.

Available Size:

- 50" W x 20" D x 59" H

- Designed to accommodate hose sizes ranging from 1½" - 3"
- Each shelf has a unique, adjustable bookend that ensures hose is always stored upright

Adjustable Wall Mount Shelf

Maximize your storage space with this innovative solution by storing a variety of gear and equipment in one convenient location. Completely modular, each shelf can be adjusted up or down to the height that meets your exact storage needs.

Available Size:

- 42" W x 20" D x 48" H

- Each shelf boasts a weight capacity of 150 lbs.
- Utilize unused wall space by placing individual units above or next to one another

Wall Mount Storage Panels

Provide the ultimate modular and flexible solution for storing a variety of gear and equipment, which allows you to utilize unused wall space for additional storage. Completely customizable, the panels can be designed to meet your specific storage needs.

Available Sizes:

- (4', 5', 6') W x 25¼" H

- Accommodates any of our hook accessories, providing an infinite number of storage solution possibilities
- Can be mounted in horizontal or vertical orientation to fit any space
